Moreover, the visitors can look at the process of honey-gathering, dress up a special uniform, enjoy of drinking tea with different healthy herbs and listen to sweet birds' melodies.

Just recently, in the picturesque village “Luchistoe” at the bottom of the Mount Demerdzhi, the **new** open-air exposition of retro-cars was opened by not indifferent residents of Crimea. These cars are from the well-known film “The Caucasian Prisoner and the New Shurik’s adventures” (Kavkazskaya Plennitsa), made in 1966.
